

D8-120

The Delage D8-120 models are the last word in big car magnificence. As sensitive as they are powerful, they are a joy to drive, and the three sports bodies are quite sensational—complete revelations of aerodynamic beauty. The D8-120 eight cylinder engine develops 120 h.p. The Deltasport foursome is made with folding head and three-position hood, the Vitasport is a four-door sports saloon, the Aerosport is a magnificently proportioned two-door saloon.

D8-120 "DELTASPORT" FOURSOME, FOLDING HEAD WITH THREE-POSITION HOOD
