

Texas Thaw 2013 Class Breakdown

Street Rod Class (SR) Street/stock driven car/MC, minor mods are OK. Tagged for street use, **street tires only (no slicks/drag radials), pump gas only.** This class will race 'Heads-Up' with single 'Green-Light-n-Go' tree. (You can also run **Bracket**, if so desired, and buy-back in for \$10.00, if eliminated in first round)

A/SR - Big Block in a light car (Willy's-Model 'A')

B/SR - Big Block in a Heavy Car ('57 Chevy) **OR** Small Block in a light car (Willy's-Model 'A')

C/SR - Small Block in a Heavy Car ('57 Chevy)

D/SR - All Inline 6 or 8's, and Flathead 8's

S/MC - Stock Motorcycle

Hot Rod (HR) Street driven legal cars/MC with mods, **slicks/drag radials are OK**, tagged for street use. This class will race 'Heads-Up' with single 'Green-Light-n-Go' tree. (You can also run **Bracket**, if so desired, and buy-back in for \$10.00, if eliminated in first round)

AA/HR – Big Block Blower cars (if required)

A/HR - Big Block in a light car (Willy's-Model 'A')

B/HR - Big Block in a Heavy Car ('57 Chevy) **OR** Small Block in a light car (Willy's-Model 'A')

C/HR - Small Block in a Heavy Car ('57 Chevy)

D/HR - All modified Inline 6 or 8's, and modified Flathead 8's

H/MC - Hot Motorcycle

Blowers/Turbo's/Nitrous/Fuel and any power adders, will bump you one class.

Bracket Class (BKT) – Muscle/Street Cars (Street Rod & Hot Rod Cars eligible)

This class will race 'Bracket with a 'Sportsman-Tree', foot brake and w/o electronics.

Run what-cha brung. Anything goes, wait for your light to turn green, and go for it. Any engine modifications / any tire / fuel. Does not have to be street driven. This is the class for your late model factory performance mills, ie: LS-motors, Hemi's, Cobra motors.

(Buy-back in for \$10.00, if eliminated in first round)

Class winners & Runners-up of the Street Rod Class and Hot Rod Class, will run 'Bracket-Style' for 'Top Eliminator'.

Those eliminated from Street Rod Class and Hot Rod Class, can run 'Bracket-Style' for 'Little Eliminator'.

Purpose Built Race Cars (PB)

This class will race 'Bracket with a 'Sportsman Tree', w/o electronics, trans-brake OK. Run what-cha brung. Anything goes, wait for your light to turn green, and go for it. Any engine modification / any tire / fuel.

Purpose Built will produce one winner – 'PB-Eliminator'.

Purpose Built Race Cars w/Electronics (PBE)

This class will race 'Bracket with a 'Sportsman Tree', w/ELECTRONICS. Run what-cha brung. Anything goes, wait for your light to turn green, and go for it. Any engine modification / any tire / fuel.

Purpose Built/Electronics will produce one winner – 'PB/E-liminator'.

Bracket Class will produce one winner – 'Pro-Eliminator'.

We will also have a Low E.T. Award for the fastest pass made Saturday.
